DIFFICULTY TRACKING ACADEMIC ASSIGNMENTS

KEY FACTS

- Students manage **5–8 subjects** per term across multiple platforms
- **Missed deadlines often** result from **poor task visibility**
- Assignments are scattered across email, LMS, and messaging apps
- **Lack of reminders** increases stress and lowers academic performance

IMPACT

- **Missed or late** submissions
- **Increased student anxiety**
- **Poor time management** habits
- **Lower academic efficiency**

PROPOSED SOLUTION

SMART ACADEMIC TASK TRACKER APP

A centralized digital platform that organizes assignments, deadlines, and reminders in one dashboard.
